1) For each screen of width 1200, 1400, 1600, or 1800, 2 holders must be ordered.

Design principles for ALFA UP Duotable workplaces:

- If the Duotables are placed next to each other, the minimum gap between the table tops must be 20 mm. A Duotable leg cover can be used to define the gap.
- When installing a screen to a Duotable, the minimum gap between each top and the screen must be min. 10 mm.
- ALFA 630 screens are not suitable for a Duotable.
